

2024 PRAISE & PROGRESS ANNUAL REPORT

WWW.EMPOWER7.ORG

BACKGROUND

Founded in 2018, Empower 7 is a Christian faith-based organization created for the sole purpose of empowering the lives of vulnerable, underserved youth in North Texas. Love for all of God's children is the foundation for our ministry and is the driving force behind our vision, **"All youth, regardless of their circumstance, to become thriving, purposeful adults who are driven to make the world a better place."**

Our Christ-centered ministry is guided by our shared values:

- **Mission Driven:** Genuine passion for our mission is at the core of each person.
- **Authentic:** Achieving our mission is dependent on trust - trust from donors, partners, volunteers and clients. To earn and maintain trust, we ensure our actions align with our words and our operations are open and transparent.
- **Tenacious:** Impossible is not in our dictionary. We know that to make a difference in this world, we must have unwavering perseverance, diligence and discipline to our long-term impact plans.
- **Together:** We are best together. When individuals connect with others of a shared purpose, the impossible is possible.

Empower 7's mission is to provide strategic life solutions to empower the lives of vulnerable youth.

THE NEED

More than 400,000 children are in foster care on any given day. With more children entering the system than kinship caregivers, foster families, or group homes can adequately support, placement for many children continues to be a challenge.

- **Risk of Being Unadopted** - More than 20,000 youths in foster care “age out” every year in the US without reuniting with their families or being adopted.
- **Risk of Being Homeless** - Tragically, over 20% of the teens who “age out” of foster care become homeless immediately. Nationwide 50% of the homeless population have been in foster care.
- **Risk of Being Unprepared** - Over 35% of Texas youth transitioning out of foster care will not receive a high school diploma by age 21. Approximately 80% of youth with lived foster care experience face significant mental health issues.
- **Risk of Being Incarcerated** - More than 36% of youth transitioning out of foster care were incarcerated by age 17 and 20% will be incarcerated by the time they are 21. Nationwide 80% of the prison population have been in foster care.
- **Risk of Being Abused** - Without a loving home, at-risk youth have a higher likelihood of experiencing trauma, abuse, neglect, and hardships that have lasting consequences. Nationwide 60% of child sex trafficking victims have been in foster care.

**No one can change their past but
Empower 7 can positively impact their future.**

OUR CALLING

We are driven by Christ's mandates to care for the fatherless and love our neighbors as ourselves. For Empower 7, this primarily means loving our young neighbors in the foster care system – foster care teens and aged-out youth struggling to navigate young adulthood on their own.

Empower 7's goals to empower youth are:

- **Providing a safe place** – Residential community on a ranch setting that provides a safe place to live.
- **Offering strategic programs** – Programs to positively address the physical, cognitive, moral, psychological, social, emotional, and spiritual aspects of youth development.
- **Making Jesus Known** – Christ-centered environment to light their way to the unconditional love and unwavering grace of Jesus

Our services will benefit vulnerable youth, ages 13-24, who are:

- Unable to successfully thrive in a traditional foster home
- Transitioning out of foster care and need support to become thriving adults
- In need of emergency placement following a crisis or homelessness
- Struggling to thrive due to significant socioeconomic disparities

Care for the fatherless. James 1:27
Love your neighbor as yourself. Luke 10:37

IMPACT STRATEGY

The Empower 7 Ranch will be a safe, serene residential community for at-risk youth that need a safe place to call home. The community will provide a home-base for at-risk youth to live, programs to help the teens successfully complete their high school education and develop critical life skills, resources to aid students who wish to pursue higher education, and personal growth curricula that will enable each individual to pursue happy healthy adult lives.

Guided by the E.M.P.O.W.E.R. 7-Step Model, our programs will bring life-changing solutions in a Christ-centered environment.

- A stable and loving place to call home
- Food, clothing, and essentials
- Healthcare, self-care, and therapy for healing and restoration
- Bible-based guidance to learn about Jesus and Christian values
- Recreational & social activities to enjoy community & God's creation
- Tutoring to supplement academic and vocational learning
- Career support and cooperative work programs for self-sufficiency
- Life skills training for independent living and healthy relationships
- Mentoring programs for building integrity and life-long support

Strategic life solutions to empower their lives.

THE RANCH

The Empower 7 Ranch, lovingly referred to as “the ranch”, will be located on a multi-acre, serene property in the North Texas area. The desired property will be 150+ acres with trees, open fields, sandy loam soil for horses, and natural water sources.

Our vision for the ranch design includes:

- Large ranch homes for foster care teens ages 13-18
- Small cottage homes for aged-out foster youth ages 18-24
- Horse arenas, stables, barns, pastures, and riding trails
- Community hub with recreation hall, family lounge, dining hall
- Education center and workshops for education and career readiness
- Administrative buildings and staff housing
- RV/trailer parking/facilities
- Chapel and prayer garden
- Retreat/respice cabins and campgrounds
- Outdoor spaces for recreation and social activities and enjoyment of God's creation

LIGHTING THEIR WAY

Lighting Their Way is Empower 7's campaign to raise funds to build the Empower 7 Ranch and to develop the E.M.P.O.W.E.R. 7-Step Model. Spanning over many years, the campaign initiatives are strategically grouped into five development milestones for achieving the long-term vision of the ranch. Milestone 1 involves building the foundational infrastructure critical for offering effective residential services. Milestones 2-5 involve expanding the ranch infrastructure for community engagement, enriched outreach, extended learning, and retreat/respice services. Currently in Milestone One, we are focused on developing residential service plans and the E.M.P.O.W.E.R. 7-Step Model and program curricula, designing architectural plans, and fundraising for the land and ranch homes.

MILESTONE ONE: FOUNDATION

- LAND
- 2 LARGE RANCH HOMES
- 8 SMALL COTTAGES
- WELCOME CENTER / ADMINISTRATIVE BUILDING
- HORSE STABLES AND ARENAS
- STORAGE BARN
- RV/TRAILER PARKING & FACILITIES
- HORSE TRAILS AND PASTURES
- COMMUNITY GARDENS
- FARM EQUIPMENT
- TRANSPORTATION VANS
- E.M.P.O.W.E.R. 7-STEP MODEL
- MINISTRY STAFF AND INFRASTRUCTURE

The architectural programming and schematic design phases for the large ranch homes and small cottage homes were completed in 2023. Renderings created by Trinity Architects and Studio 16:19.

YOUTH SERVICES

LOVE YOUR NEIGHBOR INITIATIVES

Since our founding in 2018, Empower 7's Programs have directly impacted **1,979 youth** by providing enrichment activities, great outdoor experiences, self-esteem products, support to stay in school, emergency family support, utilities, food, clothing, Christmas gifts, and celebration of birth, adoption, family reunification, and critical life milestones. **In 2024, Empower 7 was privileged to serve 429 youth in North Texas through our Blessings & Growth Programs.**

Last year, key Love Your Neighbor Initiatives for youth services included:

- **FAMILY SUPPORT:** Empower 7 provided support to foster families of teens and biological family units struggling to stay together during times of great needs. From reunification activities and birthday celebrations to covering household utilities, we were honored to help families love and care for the children in their care.
- **PROJECT SELF ESTEEM:** Many most vulnerable youth do not have the simplest of everyday hygiene and self-image items necessary for positive self-esteem! Through Project Self Esteem, we provided at-risk youth with grooming supplies, feminine hygiene products, socks, undies, and other items needed for personal care. Our liaisons at youth serving organizations and schools discreetly gave these supplies to youth in need.
- **CHRISTMAS BLESSINGS PROJECT:** Empower 7's Annual Christmas Blessings Project supported vulnerable youth and their families who were struggling to make ends meet at Christmastime. These families were provided Christmas gifts from their wish list, gift cards for food, clothing, and essentials, stockings full of candy and fun trinkets, and age-appropriate bibles and Christian devotionals.
- **MENTORING PROGRAM:** Empower 7 soft launched a mentoring program to support aged-out foster youth in college with mentors, care packages, and other essential needs so they can achieve their post-secondary education goals and become thriving, purposeful adults.
- **PROGRAM DEVELOPMENT:** Empower 7 Programs Committee continues to research and develop the E.M.P.O.W.E.R. 7-Step model, curriculum, and residential services plans to assure services offered at the Empower 7 Ranch fully support the development needs of the youth in our care.
- **RANCH DEVELOPMENT & SERVICES:** Empower 7 Ranch Development and Ranch Services Committees continue to develop plans to build, operate, and sustain the Empower 7 Ranch and assure the environment for Empower 7's youth services are safe and conducive for learning.

Faith, Hope, Love, but the greatest of these is LOVE.
1 Corinthians 13:13
